II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

☐ Federal question

☒ Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

B. If the Basis for Jurisdiction Is Diversity of Citizenship

1. The Plaintiff(s)

a. If the plaintiff is an individual

The plaintiff, (name) Terrence D. Williams,
is a citizen of the State of (name) Michigan.

b. If the plaintiff is a corporation

The plaintiff, (name) _____,
is incorporated under the laws of the State of (name) _____,
and has its principal place of business in the
State of (name) _____.

(If more than one plaintiff is named in the complaint, attach an additional page providing the same information for each additional plaintiff.)

2. The Defendant(s)

a. If the defendant is an individual

The defendant, (name) 3DExport, is a citizen of the
State of (name) Arizona. Or is a citizen of (foreign
nation) _____.

b. If the defendant is a corporation

The defendant, (name) _____, is incorporated
under the laws of the State of (name) _____, and
has its principal place of business in the State of (name) _____.
Or is incorporated under the laws of
(foreign nation) _____, and has its principal place
of business in (name) _____.

(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (*explain*):

Estimated 50 million dollars in damages

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

I have put my Renderman style book Naruto back under a copyright in my name in order to defend my character from further illicit usage and since then I have been searching out for companies who allow users to create 3D Models of the characters and other motifs like the copyrighted hairstyle and ninja tools illegally and late April 2019 I found 3D representations & porn comics, the name usage, and animations available for free or sold and created without permission on various internet venues.

I gave no permission to use this character or any other characters that peoples the Naruto world for these purposes neither was permission sought after for these purposes. And I of course would never agree upon the images being used for sexually explicit purposes or for the sexual arousal of anyone as these images are my original creation whose sole purpose was to entertain youth, children and or anyone of a pure and good nature.

Neither did I give permission for the creation of new or other characters based on that style which can be only be imparted by procuring a monetary based licensing agreement or other forms of payment via U.S. based or funds for payment with clear guidelines for the end product which would usually be based on a temporary basis for the sole purpose of each party making money off of whatever monetary scheme each party agreed upon.

I have a copyright claim since the mid-1980's and I also have the proper paperwork from the U.S. copyright office. This was originally a product inside a book called Project Stargate my master dissertation on astronomy. There is no party or company on earth who I actually gave permission to they just use them illegally and this is my bid to put this practice to an end.

These kind of exploits take money out of my pocket and are meant to defame my character and have been used historically to undermine and demean my Renderman art style (called anime, manga by illegal Japanese producers) for common usage by anyone and to make it seem that I have imparted their use for other people to use as freely and this is wrong.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

I want \$75,000 for each apparent illicit use as damages, which is in keeping with copyright law, for every illegal production of actual art, 3D objects, all the scenes with the name on it, and all porn comics or images, of the main character or any other likeness like Naruto or other so called Anime or Manga (Render man) style rip off on these websites. And for these applications and websites mentioned to cease allowing unlicensed images on their websites or applications forever and I am also seeking monetary damages for these acts.

And possible jailtime for the owners of Mind Geek for Mind Geeks porn websites (such as Porn Hub and You Porn) for their proliferation of pornographic content which are supposed to be minors in sexual situations as I believe that they are pedophilic in nature.

V. Certification and Closing

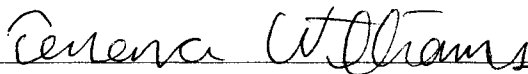

Under Federal Rule of Civil Procedure 11, by signing below, I certify to the best of my knowledge, information, and belief that this complaint: (1) is not being presented for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation; (2) is supported by existing law or by a nonfrivolous argument for extending, modifying, or reversing existing law; (3) the factual contentions have evidentiary support or, if specifically so identified, will likely have evidentiary support after a reasonable opportunity for further investigation or discovery; and (4) the complaint otherwise complies with the requirements of Rule 11.

A. For Parties Without an Attorney

I agree to provide the Clerk's Office with any changes to my address where case-related papers may be served. I understand that my failure to keep a current address on file with the Clerk's Office may result in the dismissal of my case.

Date of signing: 7/25, 2019.

Signature of Plaintiff

Printed Name of Plaintiff

Terrence D Williams

Additional Information:

The Renderman style refers to the round features, on the characters which is signature of the features of most young characters, as well as the either particular nature of the characters hair which evolved from the effort of one person on this earth Me and not anyone else. You see a variation of this style in use like in The Simpsons show especially in Bart's signature ripple head hair and in Dragon Ball Z with the character Goku which I created also and published in the same publication this my signature invention that I singularly put out in to the world original in a book called Project Stargate.

It was meant to constantly remind people of its original author which is of course again me as well as to complement the new eye structures which are readily acknowledged as big eyes but also vary depending on the character or the emotional expression the character exhibits. When the Japanese illegally took possession of this individual style of mine, they started to call it anime in order to help their readers escape of having to remember the foreign origin of this art style as well as its original creator.

I have put my original work Naruto under a new copyright do to my failings to find my publisher or procure a copy from the U.S Copyright office from defendants in a previous lawsuit, through subpoena the manuscript already mentioned called Project Stargate which was published when I was a child. But the Naruto characters luckily runs the gamut of styles in faces and hairstyles which I experimented with in my more serious nature.

My new publication Naruto should suffice for now to protect my copyright from these noncreative thieves from illegally using my styles and my characters. I hope that any judge who takes this case has an open mind and carefully adjudicates on this matter and makes it possible that I can finally get the satisfaction of reversing some of the financial damages that these companies have done.
